### Conwy County Borough Council Local Employee Pay Scales 2024/25

The scale below reflects the amendments to our pay and grading structure that were necessary to implement the “single year” pay deal that was agreed at national level between the National Employers and Unions representing local government services effective from 1st April 2024. These pay rates will be amended during 2025/26 when a national pay award effective from 1st April 2025 has been agreed at a national level between the national employers and trade unions. There will be no further amendments unless there is an unexpected national cost of living increase agreed between local government employers and the trade unions.
