Householder Declaration

I confirm that I have notified [name of previous installer:.....] of my intention to transfer my declaration to another installer and that I will not proceed with installation of ECO and GBIS measures with them.

I confirm that no ECO or GBIS measures have yet been installed at my property by any installer.

I understand that overall eligibility for the scheme is not guaranteed by CCBC's issued declaration.

I understand that my original eligibility date will remain unchanged, expiring 12 months after, regardless of this transfer.
