The Multi Storey Car Park has two entrances. All visitors should access Coed Pella via Entrance P1 off Lansdowne Road, Colwyn Bay, and drive to the ground floor level car park (Public Entrance 1). **Please note there is a height restriction in the car park of 2.1 metres maximum. Please be aware of your vehicle height before entering the Multi Storey Car Park.**

There are also a number of municipal pay and display car parks in Colwyn Bay and up to three hours free car parking for shoppers at the Bay View Shopping Centre.

Refreshments:

As part of the Councils strategy for the regeneration of Colwyn Bay we have purposely not included a canteen or cafeteria within the building and we would encourage visitors to support the local businesses with your trade. Therefore refreshments will not be provided at meetings, hot and cold vending is available on site along with healthy snack vending. No food is to be consumed in the meeting rooms.

Toilet Facilities

There are a number of Female, Male and Unisex Accessible toilets located throughout the building. There is an accessible toilet/changing room located on the ground floor that is equipped with a hoist.

First Aid:

First aid provision will be available via the Information Assistants in the Reception area. The First Aid Room is located on the Ground Floor off the Atrium area. A First Aid box is available in this room, along with medical bed and seats.

Please note: The fire alarm is tested at 9am every Tuesday and will ring briefly then stop. On activation of the fire alarm visitors are to safely evacuate the building and assemble at Queens Garden at the front the building.
