Dear Resident

TEMPORARY CCTV CAMERA – Trinity Park

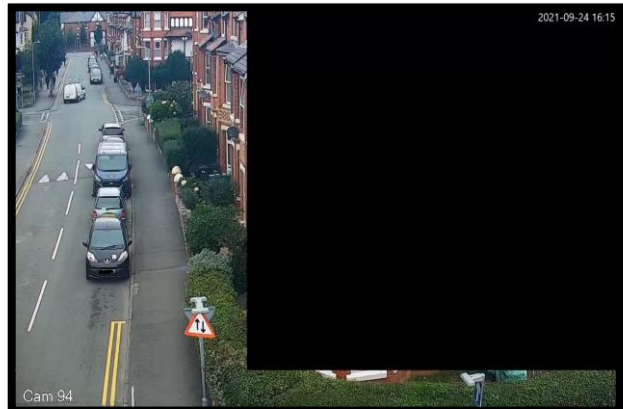

Proposed location is Trinity Avenue, Llandudno looking over park area

We are writing to inform you that Conwy County Borough Council are considering the installation of a temporary Public Space CCTV Camera at a location near you as shown below;

Figure 2; Actual privacy zone on a current camera view

The installation of these cameras is being funded from a 'Better Open Spaces Project' which forms part of the government's concerted action to improve local areas [What is Levelling Up? - Levelling Up](#)

As your home falls within the area of proposed camera we are giving you the opportunity to feed in your views please. We wish to reassure you that any windows of property directly adjacent to a CCTV camera will be screened by using privacy zones (black squares as in example above) making it impossible for any operator to breach your privacy.
