

# Conwy Primary Schools Modernisation

March '17

## Ysgol Swn y Don

Ysgol Swn y Don opened its doors as an all through primary school on one site from September 2016. Since then, work on-site has continued on weekends and over holiday periods to complete any outstanding issues.

Some of the final works included...

- The nature trail, and the final plantation of shrubs.
- Interactive Whiteboards installed and commissioned.
- Software installed for the foyer Display Screen.
- Sanding the Hall floor
