

The Conwy Governors Association consists of nominated representatives of all governing bodies.

CONWY GOVERNORS ASSOCIATION

Mae'r ddogfen hon ar gael yn Gymraeg hefyd

The Association meets termly to provide a consistent support and information network for Governors and School Governing Bodies in order for them to effectively undertake their roles.

Conwy Local Education Authority supports the Association with administration services.

OBJECTIVES OF THE ASSOCIATION

- To promote best practice in governance in all schools within Conwy Local Education Authority;
- To promote positive partnerships amongst Governing Bodies within the County;
- To advocate adequate resources for schools by working with stakeholders; and
- To represent school governors' views on issues relating to school governance to relevant authorities and organisations pressing for action as required.

EXAMPLE ACTIVITIES

- Liaise with officers of the Local Authority on all matters concerning the objectives of the association and those issues affecting school governance
- Appoint members to liaise with other organisations and forums
- Promote and encourage governors' training
- Liaise with Welsh Government on matters affecting school governance
- Communicate with all governors and Governing Bodies in the Local Authority on matters affecting school governance
- Network with other Governor Associations to share good practice
- Invite speakers from the Local Education Authority and elsewhere to inform the members of issues relevant to school governance and encourage communication on these issues

We are eager to ensure the promotion of collaborative working practices between the Local Education Authority and Governing Bodies to enable us to jointly improve outcomes for children and young people throughout Conwy.
